16 June 1958

**PROPOSED PROJECT CHALICE**

**PLAN A**

25X1A2g

1. Under this plan the [REDACTED] program would be conducted along the following lines:

25X1C8a

a. [REDACTED] contingent of approximately ten to twelve personnel would be assigned to Detachment B.

25X1A2g

25X1A6a

25X1A6a

b. Possible operational bases for [REDACTED] missions will include but not necessarily be restricted to [REDACTED]

25X1A2g

c. In order to accommodate the [REDACTED] augmentation at Detachment B, two additional U-2 and one additional T-33 aircraft will be provided at Detachment B.

25X1A2g

d. [REDACTED] pilots will receive continuation and proficiency training at Detachment B.

25X1C8a

2. Under this plan the [REDACTED] personnel assigned to Detachment B would include:

25X1C8a

25X1C8a

25X1C8a

a. One [REDACTED] who will function as the [REDACTED] Detachment Commander and who will be an operational pilot.

b. Five other operational pilots - [REDACTED] Lieutenant.

c. An Adjutant who will serve as administrative officer and senior security officer.

d. Three to five other personnel as needed.

25X1A2g

3. All [REDACTED] pilots will be under the operational control of the Commander, Detachment B with such control to be exercised through the [REDACTED] Detachment Commander. The Commander, Detachment B will be responsible for maintaining the pilot proficiency of [REDACTED] pilots and for the training of all [REDACTED] personnel in their respective jobs. All staging operations will be under the command of the Commander, Detachment B or his designate.
